

G Suite from Sprint: Fact Sheet

From improved productivity to seamless anytime, virtually anywhere collaboration—tools like G Suite are redefining the way we engage with work, and by extension, one another.

As exciting as this opportunity is, finding the right provider with the right package to bring those capabilities to your people can be tough.

That's why we've created this comprehensive fact sheet to help you identify the G Suite features, pricing and subscription best suited to your organization.

Available across three simple, scalable tiers, your G Suite subscription from Sprint is designed so you only pay for what you need.

Gmail, Google Drive, Calendar, Docs, Sheets, Slides and more—they're all here. But how you scale their functionality, security and storage, that's up to you.

Why Sprint?

You may be thinking, “Why buy G Suite from Sprint?”

This is a question we get asked a lot, and one we’re all too happy to answer. When you subscribe to either a Basic, Business, or Enterprise G Suite subscription with Sprint, you don’t just get familiar productivity tools with added cloud agility. You get so much more.

Sprint Carefree Cloud takes the hassle out of deploying your G Suite solution with true end-to-end support across all phases of deployment and integration.

Here are just a few benefits you will get with Sprint Carefree Cloud:

- Consultation, deployment and device configuration support
- 24/7 online ticketing for both your admins and helpdesk staff
- G Suite Certified live agent support for all implementation needs
- Online user training available online anytime, anywhere
- Admin and helpdesk break / fix support

And because G Suite from Sprint is easily scaled, we’re able to provide the same service, no matter how your business changes.
